When a bomb goes off at 221B Baker Street, Evelina Cooper is thrown into her uncle Sherlock's world of mystery and murder. But just when she thought it was safe to return to the ballroom, old, new, and even dead enemies are clamoring for a place on her dance card. Before Evelina's even unpacked her gowns for a country house party, an indiscretion puts her in the power of the ruthless Gold King, who recruits her as his spy. He knows her disreputable past and exiles her to the rank alleyways of Whitechapel with orders to unmask his foe. As danger mounts, Evelina struggles between hiding her illegal magic and succumbing to the darker aspects of her power. One path keeps her secure; the other keeps her alive. For rebellion is brewing, a sorcerer wants her soul, and no one can protect her in the hunting grounds of Jack the Ripper. Praise for Emma Jane Holloway's *A Study in Silks* "This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people's loves and fears collide. I can't wait to return to the world of Evelina Cooper!"—Kevin Hearne, *New York Times* bestselling author of *The Iron Druid Chronicles* "As Sherlock Holmes's niece, investigating murder while navigating the complicated shoals of Society—and romance—in an alternate Victorian England, Evelina Cooper is a charming addition to the canon."—Jacqueline Carey, *New York Times* bestselling author of the *Kushiel's Legacy* series "Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills."—Nicole Peeler, author of the *Jane True* series "A Study in Silks is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes mythos only add to the fun of this tale, and readers are bound to fall in love with Evelina and the London she inhabits."—Phillipa Ballantine, author of *Geist* "In *A Study in Silks*, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes mythos set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway's clever writing, attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, *A Study in Silks* is the premiere novel of an author to watch."—Susan Griffith, author of the *Vampire Empire* series "Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative."—Publishers Weekly "Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate."—RT Book Reviews (four stars)

The authors of this volume explore the challenges of establishing democratic accountability and control over the military and other security establishments in countries which have either been the victims of authoritarian military rule or wracked by violent internal conflict. The book examines both successful democratic transitions and failed ones. A wide range of cases is covered, including Algeria, Bosnia and Herzegovina, Chile, the Congo, Ghana, Nigeria, Sierra Leone, South Africa, Sri Lanka, and Turkey. The possible role of regional interventions and institutions, notably in West Africa and the Balkans, is also examined.

Want to try your hand at making gorgeous homemade goodies? These brilliant quick & easy cake decorating projects give you the opportunity to try something new and expand your crafting skills! You'll learn a lot about yourself! * 'reflections from the other side' reveal what guys think about topics tied to the quizzes. * 66 book introductions provide overviews for each book of the Bible to help you dive in and grasp what's going on. * An informative web site with resources, topical verse finder, daily Bible reading plans, links to other sites and more. (www.TrueImagesBible.com)

Forty-year-old air stewardess Emily Forsyth has everything a woman could wish for: a glamorous, jet-set lifestyle, a designer wardrobe and a dshy pilot of a husband-in-waiting to match. But when he leaves her to 'find himself' (forgetting to mention the bit about '...a younger girlfriend'), Emily's perfect world comes crashing down. catapulted into a mid-life crisis, she is forced to take stock and make some major changes. She ditches her job and enrolls on a drama course in pursuit of her childhood dream, positive that, in no time at all, she'll be sexily sporting a stethoscope on 'Hobyt City', and her ex will rue the day he dumped her. Wrong! Her chosen path proves to be an obstacle course littered with rejection and financial insecurity. If she is to survive, she must learn to be happy with less, and develop a selective memory to cope with more than her fair share of humiliating auditions. She tells herself her big break is just around the corner. But is it too late to be chasing dreams?

"Money is nothing but freedom; with money, you can create your own morality." This is the credo that the characters live by in Saira Viola's novel of social realism. At times, a gritty slice of life; at others a metafictional commentary on popular culture, Viola depicts a slimy underworld as fast-moving as a Google search and just as full of surprises. Crack Apple and Pop has the flow of your favourite song, the punch line of a witty joke and the suspense of nail biting drama.

As renowned Dr. Bennett Sykes, along with an elite society called the Epicureans, prepares to partake in an ancient ritual of eating human flesh to renew his soul, young Susie begins having visions of this madman and fears for the lives of those she loves. Original.

America's leading college directory and a perennial favorite among high school guidance counselors is a recognized authority in comparative college ratings. The book now comes with FREE access to Barron's exclusive College Search Engine. It gives college-bound students online information and guidance to help them match their academic plans and aptitudes with the admission requirements and academic programs of every accredited four-year college in the country. The brand-new edition of *Barron's Profiles of American Colleges* describes more than 1,650 colleges, with up-to-date facts and figures covering— Admission requirements Tuitions and fees Financial aid sources Library and computer facilities Admissions procedures for freshmen Male to female ratio Campus safety and security Thumbnail descriptions of faculty Requirements for a degree Athletic facilities Extracurricular activities E-mail addresses College fax numbers and web sites Admissions contacts, and more The book's tinted pages section presents an Index of College Majors, an extended chart that lists all available major study programs at every school. Also profiled are many of the finest colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries. All colleges in the directory are rated according to Barron's competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive."
