What to pay for a BMW K1200R (2005-2008): The R version was never as popular as the S model, making it a bit trickier to locate in the used market. Prices for an early R start in the £3,500 region in a private sale with a dealer charging closer to £4,500 and rise up to £5,500 and £6,500 respectively for a later 2008 model.

Probably be interested in the actual performance of the bikes as well. That's why it's so important to look for specific models equipped with an engine size that you are comfortable with. Not only should you be concerned with engine size, but also transmission type. You can get one of these motorcycles with a manual or automatic transmission.
