A Dictionary of Political Thought: Scruton, Roger: Amazon ...

POLITICAL THOUGHT. During the premodern period, Islamic political thought found expression in a diverse group of writings such as legal compendia, theological treatises, philosophical writings, literary works on the subject of statecraft, wisdom literature, historiography, and even poetry. In the modern period, political thought may be found in some of these branches of literature, but also in separate works directly concerned with political topics, such as the nation state, government, ...
