One is a woman and American while the other is a British male. Through their long years of teaching, studying and watching opera they have produced a sine qua non textbook on the history of Opera in the Western culture. Carolyn Abbate and Roger Parker have produced an affordable and comprehensive book on the history of my personal favorite art form. Opera began in the seventeenth century in several Italian cities most notably Florence and Venice. It quickly spread to Germany and Italy.

A History Of Opera by Carolyn Abbate - Penguin Books Australia

Opera is in many ways the most extraordinary artistic medium of the last four hundred years. Prohibitively expensive and patently unrealistic, it can nevertheless paint the human passions with astonishing power and drama. This book, the first new, full-length, single-volume history of opera for more than a generation provokes in-depth discussions of many works by the greatest opera composers ...
