ecological indicators of sustainability.

## Advances In Agroecology

Agroecosystem Sustainability Developing Practical Strategies

Agroecologists from around the world share their experiences in the analysis and development of indicators of agricultural sustainability in Agroecosystem Sustainability: Developing Practical Strategies. The authors build on the resource-conserving aspects of traditional, local, and small-scale agriculture while at the same time drawing on modern e

Agroecosystem Sustainability |

Developing Practical Strategies

Less comprehensive methods of sustainability assessment, which focus on a particular facet, are more practical to implement but result in greater uncertainty about the overall sustainability of the agroecosystem (Farshad and Zinck, 1993;
