Communication was one of popular books.

When a butter brand becomes the barometer of a nation. Chronicling the kaleidoscopic stories of India, one ad at a time, the Amul girl, with her wry wit, is both mascot and mapper of the history of contemporary India for over half a century. This edition is her third excursion into the minds of our finest writers and social commentators, many of them new contributors to the Amul's India series. Their essays and interviews offer the most interesting angles on the freshness as well as lasting impact of the world's longest-running outdoor advertising campaign. The writers look at how the Amul girl has over the years covered the nation's concerns and obsessions, specially politics, Bollywood and cricket. They marvel at how, even in these times of intolerance, the Amul girl retains her sense of innocence and fun, and continues to hold a mirror to our high hopes and troubling lows. Amul's India 3.0 is an archival celebration that will engage brand gurus and media pundits, as well as regular fans and admirers of Amul.

The Amul campaign tells the stories of India, a hoarding at a time. The hoardings are markers of the 'popular' history of India and have been followed by fans for decades. Timeless and ageless, this long-running campaign has captivated Indians of all ages. The key character in this saga is the little girl in polka dots, who helped Amul Butter win over an entire nation. This book celebrates her journey through the eyes of prominent writers, public figures and the subjects of the hoardings themselves. It contains a series of vignettes, creating a patchwork quilt of essays, snippets and selections of classic hoardings. It offers us an inside peek into the back story of the creation of the ads. Amul's India is a celebration that would be of enormous interest to an observer of contemporary India, be it a brand manager, a management student or a fan of Amul. Or just somebody who wants a rollicking good time.

There is no one formula for success. Nor one route to this holy grail. Ramesh Narayan tells his story of success in an easy-to-read style that combines interesting anecdotes, honest insights and a very different look at success. This is the story of a little fancied candidate who excelled in everything he attempted: Writing, photography, business, industry initiatives, etc. A person who never studied management or advertising but built a successful advertising agency over 24 years. He wrote about advertising in columns for leading publications all his working life, and then retired at the age of 50 to start life anew as an industry person and in the social space. He is credited with several enduring and widely acclaimed initiatives in both areas. He is one of the most awarded persons in the advertising industry; and one of the most retiring as well. Here, he opens up on his life, what success means to him and what got him to where he reached. He offers a host of practical learnings gleaned from his experiences. A very different definition of success. A very different route to success. It could be yours.

Delhi OMG! is the story of one man's struggle for survival in the colorful, yet tough Indian city of Delhi. Summary Of The Book Delhi OMG! is the story of a man named Dinesh. It is set in the big, bad city of Delhi, traversing some of the key places in the city and exposing its shocking underbelly. Dinesh is a middle class man who goes from living in government flats in Netaji Nagar to a posh, luxurious DLF residence. As Dinesh goes about his life in Delhi, he encounters various characters from all walks of life. His journey also takes him to several hot-spots of the city, acquainting him with a different side of Delhi, a shocking side often hidden under the cloak of superficiality. At once humorous and hard-hitting, the story presents the vibrant as well as the dark side of life in Delhi. The book explores themes like bribery, obsession with foreign women, sex trafficking, and the well-known fixation of Delhiites on the concept of self-image. Common perceptions about the city of Delhi are once again brought to the fore, and perhaps even strengthened by the narrative. Delhi OMG! was first published in 2012 by Om Books International. It received positive reviews. About Vinod Nair Vinod Nair is an Indian management professional and author. He has written books like Dynamics Of Hotel Management Issues And Perspectives, and Delhi OMG!. Born in 1967 in New Delhi, Nair graduated with a B.Com degree from Delhi University. He then studied International Management at the chartered Management Institute, UK. He is currently employed with an American multinational company and heads its Human Resources Division. Nair lives in Gurgaon with his wife and their daughter, Carissa.

The book will be a landmark in itself because it will be the first to cover behind the scenes of every loved ad, right from the Doordarshan days to today's YouTube; right from 'Chal meri luna' to 'Airtel smartphone ads'. It will cover interviews of creative heads and directors of all generations, right from vintage to new age. Author has handpicked each ad based on their popularity among viewers and met its creators and talked to them about the entire process. He had left out the marketing jargons and advertising sham, and just weaved stories using wonderful stories. The book will feature legendary ad-creators like Alyque Padamsee, Piyush Pandey, Prahlad Kakkar, R Balki, Prasoon Joshi, Prasoon Pandey, Agnello Dias, KS Chakravarty, Prakash Varma, Nitesh Tiwari, Preeti Nair, Ram Madhvani, Kailash Surendranath, Amit Sharma, Ashish Khajanji, Parshuraman, AG Krishnamurthy, Shantanu Sheorey and many more. One unique aspect about this book is the coming together of virtually the entire ad industry.

This book is written to light the spark of mind mapping & keep the spark burning to increase the chances of mind mapping becoming an integral part of your life

This is as much the story of Indian advertising as it is about India. Ad veteran Ambi Parameswaran looks at how advertising has evolved, reflecting the country's culture, politics and economy in the last fifty years. From sartorial taste and food habits to marriage and old age, music and language to celebrities and censorship, Ambi examines over a hundred ads to study how the Indian consumer has changed in the past five decades and how advertising and society have shaped each other. Combining anecdote and analyses to give us a slice of modern history, Ambi evaluates the relationship between affluence, aspiration and desire in India. Exploring trends and impacts, he covers the ads that captured the imagination of the entire country. From 'Only Vimal' and 'Jai Jawan Jai Kisan' to 'Jo biwi se kare pyaar' and the controversial Tuffs shoes campaign, the book is a memorable journey through brands, consumers and the world of advertising.

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose

lives come together during a time of political turmoil soon after the government declares a “State of Internal Emergency.” Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry’s prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

This book has a defined objective...to emulate the framing of questions that are often asked in business quizzes these days. There are over 30 sections from automobiles, advertising, businessmen, FMCG to publications, management terms, quality control, management quotes. A special section for visual questions that are part of almost every business quiz these days has also been included. The book will serve not just as a stepping stone for people who are interested in business quizzing but will prove to be an ideal compendium for all aspirants searching for admission to professional colleges or career options in banking, insurance, defence, railways, state & central government services, besides many other top tier professions. #v&spublishers
