The most common barriers to family involvement include: Lack of teacher time. Teachers often see working on family involvement as a task added to an already long list of responsibilities (Caplan, 2000). Lack of understanding of parents' communication styles. Some efforts at increasing involvement fail because there is a mismatch in the communication styles of families and teachers, often due to cultural and language differences (Caplan, 2000; Lontos, 1992).
