people want to cause us harm. To put it very simply, if you can see someone's hands and they are not concealing them, holding a weapon or positioning to strike you, one's levels of trust and confidence can increase. This simple example can serve as a reminder to all of us in many of the complex moments we have to deal with, and difficult decisions we have to make, in everyday life.

Rome was liberated on 5 June 1944 but the Italian campaign had another eleven gruelling months to run. The US Fifth and British Eighth Armies drove across the Arno River, capturing Florence on 5 August. Once again The Wehrmacht's Tenth and Fourteenth Armies eluded destruction, withdrawing into the Gothic Line in the Northern Apennines. The Eighth Army, advancing along the Adriatic coast and the Fifth Army in the mountains north of Florence penetrated this strong German defensive belt between 25 August and the end of September. Yet the Allied campaign stalled due to a lethal combination of supply and manpower shortages, the early onset of winter and the rugged terrain favouring the German defenders. The Allied April spring offensive saw Eighth Army breakthrough the Argenta Gap into the Po Valley, while Fifth Army captured Bologna. After crossing the Po River the Allies fanned out across Northern Italy, before the Nazi surrender on 3 May 1945. These dramatic events are described in words and images in this superb Images of War book.

well insights and skills from the oldest and most elite security force in the world to help you prepare for stressful situations, instantly read people, influence how you are perceived, and live a more fearless life. Becoming Bulletproof means transforming yourself into a stronger, more confident, and more powerful person. Evy Poupouras—former Secret Service agent to three presidents and one of only five women to receive the Medal of Valor—demonstrates how we can overcome our everyday fears, have difficult conversations, know who to trust and who might not have our best interests at heart, influence situations, and prepare for the unexpected. When you have become bulletproof, you are your best, most courageous, and most powerful version of you. Poupouras shows us that ultimately true strength is found in the mind, not the body. Courage involves facing our fears, but it is also about resilience, grit, and having a built-in BS detector and knowing how to use it. In *Becoming Bulletproof*, Poupouras demonstrates how to heighten our natural instincts to employ all these qualities and move from fear to fearlessness.
