Fraction Calculator - Calculator.net: Free Online Calculators

By default C# projects in Visual Studio use the latest major release of the language (which would be 7.0 as of this writing). To change this, open up the project's properties, select the Build page, click Advanced..., and under General set Language Version to "C# 7.2" .. Per phuzi's comment mentioning this question, you might need to update to the latest Visual Studio in order to see this option.
