3.0 out of 5 stars Calculus with Applications (9th Edition) Reviewed in the United States on June 2, 2014. Verified Purchase. Used this Calculus book for 2 classes. I found it was difficult to follow the new material in each section of each chapter. That was probably my fault though since it was my first time ever seeing calculus.

Calculus with Applications (9th Edition) 9th Edition ...
This book is a revision of the seventh edition, which was published in 2004. That edition has served, just as the earlier ones did, as a textbook for a one-term introductory course in the theory and application of functions of a complex variable. This new edition preserves the basic content and style of the earlier editions, the
