~~Case in Point : Complete Case Interview Preparation by ...~~

Case interviews are designed to test the candidate's analytical skills and "soft" skills within a realistic business context. The case is often a business situation or a business case that the interviewer has worked on in real life. Case interviews are mostly used in hiring for management consulting jobs. Consulting firms use case interviews to evaluate candidate's analytical ability and problem-solving skills; they are looking not for a "correct" answer but for an understanding of how the ...
