Exam Content Manual - ECM. The ECM is the most central document for certification . It is the ultimate source of what successful candidate's need to know. It determines both what is to be tested on and in what quantities. Determines the content to be covered in Certification Review Courses.

### Certification Update

The books from 2012 are probably plenty good enough to pass. I would say definitely so if you combine it with Arnold's book. With the books, the exam content manual is redundant, so do not worry about that. The only other thing I would worry about is the exam simulator.
