Eloquent Rage is as exhilarating as it is vulnerable, a crucial book that tackles friendship and feminism, Hillary Clinton and Sandra Bland, violence and family, sex and faith and race and gender, all with vibrant grace and honesty. Cooper is a generous writer, affording even those she rages against good humored compassion, but never letting any of us fully off the hook.

In the Black feminist tradition of Audre Lorde, Brittney Cooper reminds us that anger is a powerful source of energy that can give us the strength to keep on fighting. Far too often, Black women's anger has been caricatured into an ugly and destructive force that threatens the civility and social fabric of American democracy.

!Not solely or primarily. Black feminism is about the world Black women and girls can build, if all the haters would raise up and let us get to work. When I talk about owning eloquent rage as your superpower, it comes with the clear caveat that not everyone is worth your time and your rage. Black feminism taught me that.
