First Flight: The Story of Tom Tate and the Wright ...

The story of the Wright brothers is pretty well hashed out at this point, and for the most part all the books tell the same story, with the same details. What differentiates the books is reading level, how many pictures (they all use the Wright brothers' own photos, so there isn't much variation in quality), and how much engineering details they include.

Flaherty” is an account of a young bird that is afraid to fly for the first time. He believes that his wings would not support him. Despite his younger siblings flying fearlessly with much shorter wings, he could not gather the courage to do the same.

### His First Flight Class 10 Summary, Explanation, Questions

Because December 13, 1903, was a Sunday, the brothers did not make any attempts that day, even though the weather was good, so their first powered test flight happened on the 121st anniversary of the first hot air balloon test flight that the Montgolfier brothers had done, on December 14, 1782. In a message to their family, Wilbur referred to the trial as having "only partial success", stating "the power is ample, and but for a trifling error due to lack of experience with this machine and ...
