Future Medicine: Ethical Dilemmas, Regulatory Challenges ...

In this Book. Future Medicine is an investigation into the clinical, legal, ethical, and regulatory changes occurring in our health care system as a result of the developing field of Complimentary and Alternative Medicine (CAM). Here Michael H. Cohen describes the likely evolution of the legal system and the health care system at the crossroads of developments in the way human beings care for body, mind, emotions, environment, and soul.

Future Medicine: Ethical Dilemmas, Regulatory Challenges ...

Providing an exploration of regulatory conundrums faced by many healing professionals, Cohen articulates the value of expanding our concept of health care regulation to consider not only goals of fraud control and quality assurance, but also health care freedom, integration of global medicine, and human transformation. Future Medicine provides a fair-minded, illuminating, and honest discussion that will interest hospice workers, pastoral counselors, and psychotherapists, as well as ...
