Go the Fk to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don ’ t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, California Book Award-winning author Adam Mansbach ’ s verses perfectly capture the familiar—and unspoken—tribulations of putting your little angel down for the night. In the process, they open up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity. With illustrations by Ricardo Cortés, Go the Fuck to Sleep is beautiful, subversive and pants-wettingly funny—a book for parents new, old and expectant. You probably should not read it to your children. The cats nestle close to their kittens, The lambs have laid down with the sheep. You ’ re cozy and warm in your bed, my dear. Please go the fk to sleep. The windows are dark in the town, child. The whales huddle down in the deep. I ’ ll read you one very last book if you swear You ’ ll go the fk to sleep. The eagles who soar through the sky are at rest And the creatures who crawl, run, and creep. I know you ’ re not thirsty. That ’ s bullshit. Stop lying. Lie the fk down, my darling, and sleep.

"Now there's a version, complete with more of the gorgeous, yet weirdly subversive illustrations. The best part? It's still funny. The rhythms, the plodding rhymes, the illustrations, the clever play on the overused trope of the world at bedtime -- they all work together to take Seriously, Just Go to Sleep beyond parody and into the realm where good children's books belong: things that parents, and children, can honestly come to from different places and enjoy together. I can imagine reading Seriously, Go to Sleep nightly, and even to the point where you're begging the child to choose something else (the ultimate compliment for a picture book) and yet still finding something to enjoy. It captures a different 'zeitgeist' of modern parenting." --New York Times "From the team that touched off the irreverent humor trend Go the F**k to Sleep, author Adam Mansbach and illustrator Ricardo Cortes, comes a new kid-friendly version of their instant comic classic. Seriously, Just Go to Sleep brings children in on the joke, helping them understand their own tactics and why their parents just want them to go . . . to sleep." --Publishers Weekly Critical success for the original Go the F*** to Sleep, a #1 best seller at: New York Times, Amazon.com, Wall Street Journal, Publishers Weekly, and many more! Seriously, Just Go to Sleep is the G-rated, traditional-sized, children's version of the book every parent has been talking about. Go the F*** to Sleep, the picture book for adults, became a cultural sensation by striking a universal chord for parents. Now, Adam Mansbach and Ricardo Cortés reunite with Seriously, Just Go to Sleep, inviting the children themselves in on the joke. As parents know, kids are well aware of how difficult they can be at bedtime. With Cortés's updated illustrations (including a cameo appearance by Samuel L. Jackson, who narrated the audio book version of Go the F*** to Sleep) and Mansbach's new child-appropriate narrative, the book allows kids to recognize their tactics, giggle at their own mischievousness, and empathize with their parents' struggles--a perspective most children's books don't capture. Most importantly, it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting. Seriously, Just Go to Sleep came to be when Mansbach read a highly censored rendition of the original book to his three-year-old daughter, and she recognized herself as the culprit and was delighted. "We were getting a lot of feedback from parents, saying that their kids loved the book--read in an altered form--because they recognized themselves in the character of the mischievous kid who's winning the bedtime battle, and thought it was hilarious. So we figured we ’ d do a companion volume that lets kids in on the fun."

From the author of the international best seller GO THE FUCK TO SLEEP comes a book about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving and deeply cathartic, You Have to Fucking Eat breaks the code of child-rearing silence, giving mums and dads new, old, grand- and expectant a much-needed chance to laugh about a universal problem. You probably shouldn't read it to your children.

Stop F**king Tweeting and Go the F**k to Sleep, Mr. President is a bedtime book for civilized citizens who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send the 45th President of the United States sailing blissfully off to dreamland. Profane, unaffectionate, and radically desperate, end-of-their-rope author John Spreincer McKellyanne Huckamucci's verses perfectly capture the familiar--and unspoken--tribulations of putting your little president down for the night. With illustrations by John Spreincer McKellyanne Huckamucci, Stop F**king Tweeting and Go the F**k to Sleep, Mr. President is horrifying, hopeless, and tear ducts-wettingly sad--a book for Americans new, old, and expectant. You probably should not read it to your president.

What if a child, asked to go the f**k to sleep by its father, could respond in adult language? What if 5000 Indian yogis simultaneously dropped hot coffee on their laps in 5000 McDonalds to balance India's budget? How about selling used nukes to help balance the budget deficit? By the father of 3 boys and one Inner Brat that refuses to go to sleep or to grow up, this broad anthology of humor is his

bestselling e-book. "Pythonesque," silly, and sophisticated at the same time, according to reviewers. I WILL NOT GO THE F**K TO SLEEP is an anytime book for adults who refuse to grow up or to go to sleep in this unreal and wacky world of jet-setting yogis, retired nukes, and presidents named Bush. Profane, compassionate, wickedly funny at times, it captures a world and a humor that is fresh, subversive, and often thought-provoking. You probably should not read it to your children under 15; but don ' t be surprised if they decide to read it to you. "Hysterical and informative. For the rebel in you. Great style and humor"--Linda J. Lundy, 5-star review This edition restores the ORIGINAL cover which was so popular with readers.

A novel about the intertwining lives of the denizens of a hotel in an unnamed Latin American country in the midst of political turmoil.

The ruthlessly engrossing and beautifully rendered story of the Brodskys, a family of artists who realize, too late, one elemental truth: Creation ' s necessary consequence is destruction. Each member of the mercurial clan in Adam Mansbach ' s bold new novel faces the impossible choice between the people they love and the art that sustains them. Tristan Brodsky, sprung from the asphalt of the depression-era Bronx, goes on to become one of the swaggering Jewish geniuses who remakes American culture while slowly suffocating his poet wife, who harbors secrets of her own. Nina Hricek, a driven young Czech photographer escapes from behind the Iron Curtain with a group of black musicians only to find herself trapped yet again, this time in a doomed love affair. And finally, Tris Freedman, grandson of Tristan and lover of Nina, a graffiti artist and unanchored revolutionary, cannibalizes his family history to feed his muse. In the end, their stories converge and the survival of each requires the sacrifice of another. The End of the Jews offers all the rewards of the traditional family epic, but Mansbach ' s irreverent wit and rich, kinetic prose shed new light on the genre. It runs on its own chronometer, somersaulting gracefully through time and space, interweaving the tales of these three protagonists who, separated by generation and geography, are leading parallel lives.

A no-holds-barred assessment of the consequences of revenge by the best-selling author of Go the F*** to Sleep traces the misadventures of 18-year-old Brooklyn resident Kilroy Dondi Vance, a pot-dealing scholarship student whose legendary graffiti writer father returns after a long absence to sabotage the mayoral campaign of a nemesis chief of police.
