Rediscover another Tale of the Five Hundred Kingdoms in this compelling novella. Kidnapping Persephone should have been an easy task. But in the Five Hundred Kingdoms, nothing's ever simple—and the wrong blonde goddess is stolen by mistake, leaving Prince Leopold without his new bride. At least until he braves the realm of the dead to get her back... Previously published in the Harvest Moon anthology. Originally published in 2010.

The Lily of Life: A Fairy Tale by The Crown Princess of Roumania. First published by Hodder & Stoughton, London; New York, 1913. "Graceful fancy, elevated sentiment, and simple but dignified expression ensure a high place among the fairy tales of the publishing year for the Queen of Roumania's charming work, The Lily of Life.... The merit of the telling is unusual, and it has the further advantage of being presented in an exceedingly handsome and artistic form. The coloured illustrations of Miss Helen Stratton show graceful drawing and fine gradations of tone. They are not merely a pictorial summary of the story, but genuine works of art, and a distinctive feature of the volume."-Scotsman
