The inspiring story of the first female Marine to fly a combat mission in an F/A-18—and the transformative events that led to her bold decision to take on the most powerful man in the U.S. Senate. Amy McGrath grew up in Edgewood, Kentucky, a childhood shaped by love of country, baseball (the

Cincinnati Reds), and, from the age of twelve, a fascination with fighter jets. Her devastation at learning that a federal law prohibited women from flying in combat fueled her determination to do just that--and then, to help change the laws to improve the lives of all Americans. McGrath writes of gaining an appointment in high school to the U.S. Naval Academy, making it through Marine Corps training, graduating from Annapolis, Maryland, becoming a Second Lieutenant, and raising her right hand to swear to defend the U.S. Constitution, honor bound. She vividly recounts her experiences flying in the Marines, and her combat deployments to Iraq (Kuwait) and Afghanistan, her work as an Air Combat Tactics instructor—and what it was like to finally fly that fighter jet: high-speed, intense, and physically

Sell demanding. Here is McGrath, training to do the most intense tactical flying there is (think the Navy's TOPGUN); meeting the man who would become her husband; being promoted to major and then lieutenant colonel; marrying, having three children, a career and life in Washington and then moving her family back to Kentucky to begin a whole new chapter in politics; her roller-coaster congressional campaign (she lost by three percentage points); and making the tough decision to run again, in an even bigger, higher-stakes national campaign, against the five-term leader of the U.S. Senate, Mitch McConnell. A moving, inspiring American story of courage, determination, and large dreams.

In April of 1972, SEAL Lieutenant Tom Norris risked his life in

an unprecedented ground rescue of two American airmen who were shot down behind enemy lines in North Vietnam, a feat for which he would be awarded the Medal of Honor--an award that represents the pinnacle of heroism and courage. Just six months later, Norris was sent on a dangerous special reconnaissance mission that would take his team deep into enemy territory. On that mission, they engaged a vastly superior force. In the running gun battle that ensued, Lieutenant Norris was severely wounded; a bullet entered his left eye and exited the left side of his head. SEAL Petty Officer Mike Thornton, under heavy fire, fought his way back onto a North Vietnamese beach to rescue his officer. This was the first time Tom and Mike had been on a combat mission together. Mike's act of courage and loyalty marks the

Only time in modern history that the Medal of Honor has been awarded in a combat action where one recipient received the Medal for saving the life of another. By Honor Bound is the story of Tom Norris and Mike Thornton, two living American heroes who grew up very differently, entered military service and the Navy SEAL teams for vastly different reasons, and were thrown together for a single combat mission--a mission that would define their lives from that day forward.

“My name is Lucas Greywolf.” A raspy voice, as soft and sandy as the wind that blew across the desert, spoke directly into her ear. It was a gentle sound, but Aislinn wasn't deceived. Like the winds it reminded her of, it could be

whipped into a fury. . . Aislinn Andrews knows his name because his escape from prison has prompted a statewide manhunt. As lean and menacing as a panther, the fugitive invades her house, her bed, and then takes her as his hostage. Overnight, Aislinn's safe and predictable life is upended by a man considered criminal and dangerous. However, his greatest threat to Aislinn isn't the knife he wields, but his untame appeal. All his life, Lucas Greywolf has harbored a bitter grudge against Anglos, resenting even that half of his heritage. Years spent in prison for a crime he didn't commit hasn't quelled his fighting spirit, but only fanned it. After escaping, he comes face-to-face with blond, blue-eyed Aislinn Andrews, the epitome of everything he hates. Yet he must have her. Now the war Lucas wages is
