Do you find yourself making excuses not to ride? Are you stuck in the arena? Do you get nervous/anxious before riding/competing? This book will help you to understand your feelings and give you strategies to deal with them. Christine shares with you the Three Keys to Success based on her successful Confident Rider Workshops. Exercises and case studies are included to help you move forward. "Throughout my work as a Riding Teacher I am being constantly challenged by, what seems to be, an increasing amount of pupils who lack confidence—particularly adults. In this excellent book Christine has given us useful tools to help the rider become more confident. Not only does she explain clearly the very essential tool of mental imagery her easy to follow relaxation techniques and ideas for positive goal setting set the rider on the path to once again enjoy their riding. I recommend this book not only to riders of all ages but also to those who teach riding. It will increase knowledge and understanding therefore having an impact on empathy with pupils." Patrick Print FBHS "The one thing that can really make a difference to your success is breaking down your goal into smaller achievable steps. This book shows you how to do that along with lots of other practical solutions to improve your belief, confidence and enjoyment in riding." Helen J Bradley Dressage Rider, Trainer and List 1 Judge

Confidence doesn't come naturally to everyone, and needs to be developed over time. If you struggle to feel calm and poised under pressure, or wish you had the self-assurance to shout about all your star qualities, then look no further: this book is here to help. Bursting with tips, assertive statements, and activities, How to Be Confident will enable you to work through whatever is holding you back so you can embrace your inner confidence.

Emotions are the driving force behind all human action and experience. The most sublime acts of creation and the most depraved behaviour are products of human emotion unleashed. And within each one of us is the potential for the whole range of those emotions. In INNER STRENGTH, Tony Robbins shows you how to master the powerful emotional forces that drive everything you do. In this new blockbuster Robbins takes you on a journey into your deepest self, and into the next stage of your evolution where instead of ignoring or suppressing your emotions, you embrace all of them, good and bad. Robbins challenges you to strip away your intellect and your daily routines to get at your essence á€“ what's behind your drive to achieve? Is it the desire to find love? To raise your children well? To be financially free? What are you doing it all for? To get more out of life, you have to own your own nature. INNER STRENGTH offers you a personal emotional fitness plan. This step-by-step regimen will help you discover which emotions dominate your life, and provide you with an emotional 'prescription' á€“ an antidote to the patterns that have been holding you back. The 12-minute emotional 'workout' will transform your outlook and level of fulfillment in a matter of weeks. Harness the power of your emotions and you will not only be fulfilled, you will also achieve more and greater things than you ever thought yourself capable of.

Becoming Confident Teachers examines the teaching role of information professionals at a time of transition and change in higher education. While instruction is now generally accepted as a core library function in the 21st century, librarians often lack sufficient training in pedagogy and instructional design; consequently finding their teaching responsibilities to be stressful and challenging. By exploring the requirements and responsibilities of the role, this book guides teaching librarians to a position where they feel confident that they have acquired the basic body of knowledge and procedures to handle any kind of instructional requests that come their way, and to be proactive in developing and promoting teaching and learning initiatives. In addition, this book suggests strategies and methods for self-development and fostering a 'teacher identity, giving teaching librarians a greater sense of purpose and direction, and the ability to clearly communicate their role to non-library colleagues and within the public sphere. Specifically examines the causes of stress among teaching librarians, zeroing in on recognisable scenarios, which are known to 'zap' confidence and increase teacher anxiety among librarians An up-to-date and easily digestible take on the role and responsibilities of the teaching librarian Identifies the major trends that are transforming the teaching function within professional academic librarianship

Whether you're changing jobs, joining a group, or moving to a new city, putting yourself out there in new situations is no picnic. Being forced to introduce yourself . . . Having to ask questions among strangers . . . Learning expectations of those around you--it's not fun for anyone! But when we let our worries stop us from getting familiar with our surroundings and learning the dos and don'ts of our new environment, we seriously hinder our progress, our joy, and the many exciting opportunities that await us.What to Do When You're New combines the author's research and firsthand experience from having to adjust to a job transfer to Japan with that of leading scientists to explain why we are so uneasy in new situations--and how we can learn to become more confident and successful newcomers. With practice, anyone can learn the necessary skills to learn how to:• Overcome fears• Make great first impressions• Talk to strangers with ease• Get up to speed quickly• Connect with people wherever you goBlending stories and insights with simple techniques and exercises, this invaluable guide for the introvert will get you out of your comfort zone and trying new things in no time.

Are you struggling with your self-confidence ? Do you have the desire for more in your life but you don't seem to be able to take actions ? The truth is that everything is already inside you and this book will be a stepping stone to help you to take your life to help you to become more confident and to take your life to another level. This book contains proven steps and strategies on how to be confident and improve your self-image. It is for anyone who is looking for practical steps on how to become confident. It is also for those who want to know more about themselves for self-improvement. You will discover all the essential tips you need to become confident enough to overcome the challenges in your life and chase after your goals. Find out what confidence means and the qualities you will find in a confident person. Determine your current level of confidence and learn how you can achieve balance in the different aspects of your life. What Confidence is All AboutSome may think that you are born with it and that somehow, parents have this "confidence" gene that gets passed down. Others believe that confidence is more of a skill that can be honed. However, to people who constantly struggle with it, they sometimes see it as a sort of magical elixir that they can drink up to feel super. In truth, confidence has many meanings. In fact, the dictionary offers not one but five meanings of confidence. It is... It Starts in the MindDid you know that some of the most conventionally attractive people in the world also tend to be the most insecure? That's because confidence depends more on your state of mind than appearance. How do you train your mind to become more confident? What you See Affects How you FeelDo you believe that your physical appearance affects your confidence? Or do you think it is the other way around? Regardless of how you see it, it is no secret that we humans rely deeply on our sense of sight. This is why one's Looks matter in many of life's situations. Your appearance is your physical representation in the world and it communicates a strong message to who you are and what you believe in. Tap Into your Inner ConfidenceEveryone, yourself included, has experienced the feeling of being highly energetic, brave and empowered at certain points in their life. It doesn't matter if you cannot completely recall that moment right now, because what matters more is that you can experience it again. Develop Self-Confidence in a Social WorldSelf-confidence plays a key role in developing your social skills. When you believe in yourself, you can broaden your social circles, advance in your career, and develop meaningful relationships. Confidence also enables you to protect yourself against those who may hurt and take advantage of you. It also keeps you from developing social anxiety and depression. Taking It One Step FurtherImagine how challenging it will be to pursue your goals if you do not have enough confidence in yourself. It will become all the more difficult if you do not have a concrete plan to follow, but fear not, because this final chapter will help you flesh out exactly what you want out of life and how you can achieve it confidently. You are What You Repeatedly DoBuilding self-confidence is a lot like growing a delicate rose from a seedling. It doesn't happen overnight and requires everyday patience, care and attention. The good news is it gets easier with each passing day, and the key is to nurture the right habits Take action now and get a copy of this book and it will help you to make a commitment to yourself that from this point forward, you are going to transform your life, reach your goals and live a happy life.

Almost all self-help books emerge from one of two flawed views of the self, and these mutually exclusive ditches are destructive. The Ditch of Smallness says that people are fundamentally bad and that humanity's greatest spiritual threat is pride. The Ditch of Bigness says the exact opposite: people are fundamentally good, and shame is our greatest danger. Dan Kent presents a third view, a road between the ditches. He shows how the humility Jesus revealed offers the most accurate and freeing view of the self. Whereas shame and arrogance are dysfunction steroids (making our depression darker, our anxiety tighter, our addictions stickier, and so forth), humility, as Jesus teaches it, counteracts shame and pride, thereby subverting two major psychological forces that thwart us. Once we embrace this new way of seeing ourselves--how Jesus sees us--we begin to relate to ourselves, to others, and to the world around us in a way that allows us to overcome a whole host of vices and self-sabotaging behaviors. Furthermore, whereas the ditches both lead to powerlessness and passivity, humility as Jesus teaches it is empowering, fosters proactivity, and serves as a scaffold for true confidence.

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is F**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is--a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the codding, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited--"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

Do you feel nervous or tense in social settings or during conversations? Do you want to stop being mastered by your insecurity and your own negative thinking? Do you wish to have more self-confidence? If you want to find a way to develop and build your self-confidence today, then keep reading. Self-confidence is extremely important in almost every aspect of our lives at work, in relationships, in the family, to achieve goals, etc - yet so many people struggle to find it. Self-confidence is an attitude about your skills and abilities. It means you accept and trust yourself and have a sense of control in your life. You know your strengths and weakness well, and have a positive view of yourself. You set realistic expectations and goals, communicate assertively, and can handle criticism. On the other hand, low self-confidence might make you feel full of self-doubt, be passive or submissive, or have difficulty trusting others. You may feel inferior, unloved, or be sensitive to criticism. If you suffer from a lack of self-confidence, you know that it truly is a kind of suffering. So, how do you build self-confidence? If you're looking to (1) overcome self-doubt, (2) improve self-esteem, (3) build high self-confidence, (4) be unafraid, (5) become unstoppable the answers are right in front of you. I introduce you to: "How To Be Confident" 49 Steps to Change Yourself, Overcome Shyness and Improve Your Relationships. A Workbook For Building Positive Inner Dialogue and Boosting Self-Esteem. By reading this book you will discover: How to shatter your limiting beliefs and the fear of change; How to overcome procrastination and increase your motivation for achieving the results you want; How to remove labels you have been given in the past and how to re-create confidence from within yourself; How to overcome shyness in relationships and become more confident; How to Develop new social habits and become more attractive and charismatic person; How to shatter your self-doubt, discover your identity and let go of stress once for all; How to achieve and master a positive mental attitude. And Much More... So let me ask you this, after seeing what you will discover and how your life will be flooded with confidence, can you think of any reason why you do not want to change your life today? Can you think of any good reason why you would not want to instill within yourself the confidence that you've always wanted? You don't have to accept mediocrity anymore... With more confidence, you'll feel at ease in social settings, you'll be able to make effortless conversation with anyone, you'll naturally be funny and witty, and you'll make the positive impression you want. Don't let insecurity Control Your Life Any Longer...Start now living the life you really want!Scroll up and click the Buy Now button if you want to learn how to better manage your emotions and improve in all aspects of your life.

Would YOU like to live a Rich and Fulfilled life? Is it time to Empower Yourself and take Control of your Emotions? Proven FACT: Most of us sabotage our success & happiness! This Inspirational book can help you to: Be Positive, Believe in Yourself and Achieve Peak Performance. This book has received great reviews from: Best selling authors, Clinical Psychologists, Media personnel, Entrepreneurs, Business Executives, Wellness coaches and people from all walks of life (few mentioned below in the editorial reviews section). About Author Maddy Malhotra is an International Motivational Speaker and Success Coach. He is a regular guest on radio and has been interviewed by stations worldwide including the BBC. He's done motivational shows for well-being TV channels and has been featured in several national newspapers and health magazines. His life story has inspired hundreds of thousands worldwide. He lives in the UK and is involved in several Charity/non-profit projects. Maddy is passionate for helping people to achieve Success, Happiness and Self-Love. Maddy says I have shared the philosophies and principles which have been followed by every successful person and their roots can also be found in ancient wisdom. I have applied and lived these myself and my clients have benefited from it. I don't want anyone to feel unworthy, unlovable, or incapable so I have revealed some very important facts which can help you live a happier and fulfilled life. These secrets affect every area of our lives every single day but are not taught at school and are rarely a part of parenting! This became the biggest reason for me to write this book and create seminars and home study course. "High Self esteem (self-belief), a fearless Positive Mind, Confidence in Your Abilities, Effective Habits and Clear Goals - are essential to create a Prosperous and Happy Life" From the back cover "We need a Positive Self-Image for Career or Business Success. Ideal Body and Happy Relationships. " Many hours and much money are spent every year in the pursuit of getting thinner, richer, more confident, 'better' jobs and fulfilling relationships. And yet we never quite seem to achieve what we desperately seek and we can't seem to keep hold of it when we do. Why is this? Quite simply we sabotage our own efforts with 'limiting beliefs' about our capabilities and our worth. In this Easy to read and Practical book Maddy Malhotra aims to help us change that forever. If you have ever failed to achieve something you set out to do or achieved it and then lost it afterwards, this is the book for you. Learn why and how your beliefs are holding you back, what you can do about it and how You Can build Belief in Yourself. You have nothing to lose and everything to gain (including those elusive goals)! FACT: 'They' didn't teach us the principles of success and happiness! This book can help you achieve More Time for Yourself, Happy Relationships, Clear & Effective Goal setting, Financial Success, Emotional Intelligence, Leadership Skills, Self Empowerment, Create a Positive Attitude, Mental Toughness, Positive Behaviour, Decision Making Skills, Inner Motivation, Self Love, Inner Peace, Effective Parenting, Understanding 'How Life Works', High Self-Esteem, Boost / Increase Confidence, Overcome / Get rid of Fears, Break Bad Habits & develop new like the world class achievers, Be Successful, Be Happy, Be Peaceful, Forgiveness and daily Gratitude. If you like Stephen Covey's Seven Habits of Highly Effective People or Brian Tracy's books or the Chicken Soup for the Soul series (Jack Canfield), then you'll like this too! Some readers of this book, who had read 'The Secret', realised why the 'law of attraction' didn't work for them! You can read Maddy's inspirational life story and his humanitarian projects at CoachMaddy.com Like many, you can also benefit from his personal development articles, media interviews, and blog.
