Gardner borrows some of his plot and many character names from Beowulf, but creates a full life for Grendel prior to his encounter with Beowulf. At several moments in Grendel, Gardner inserts passages of poetry that imitate the form of Beowulf. In addition to rewriting the epic poem from the monster's point of view, Gardner's use of stream-of-consciousness narration and insertion of philosophical arguments into his novel allow us to gain modern insights into the mythic-medieval world of ...
