HPC Kaeser SK 21 T SFC Compressor Features Quietly powerful As the most efficient way to achieve
a given drive power, KAESER KOMPRESSOREN uses large, low speed air ends in every rotary screw
compressor. This ensures that the specific power is always within the optimal range.

KAESER FILTER products demonstrate a lower pressure loss right from the outset compared to other filters typically available on the market. Moreover, the pressure loss re-mains low for much longer, thanks to the high contaminant retention capacity. The result: low operating costs over the long term. The annual maintenance of particulate and coalescence filters mitigates age-related risks and ...
