Reliable advice to help hospitality managers prevent legal problems and avoid litigation. Is an unhappy restaurant guest legally entitled to a refund for food she ate? Is a hotel required to replace money that a guest claims was taken from his room? Can a hospital food and beverage director legally accept a holiday gift from a vendor without threatening her employment status? "Hospitality Law, Second Edition" provides readers with answers to these questions and more. Packed with interactive exercises as well as up-to-date legal information specific to the hospitality industry, "Hospitality Law" benefits students by emphasizing preventive legal management and effective decision-making. This "Second Edition" gives students and managers background on safety and security requirements, disputes with customers, hiring and firing employees, liabilities associated with serving alcohol, and much more, including: New coverage of legal issues in travel and tourism, including those associated with transportation, travel agents, tour operators, gaming, mixed-use, and timeshare properties Newly added real-world legal case summaries that illustrate the practical application of hospitality laws in actual hospitality operations. Each case summary features a "Message to Management" that gives the reader a clear explanation of the impact of the decision on best practices, as well as preventative measures managers can take to limit exposure New coverage of legal issues related to amusement parks and the Internet booking phenomenon New "International Snapshots" offering insights from practicing attorneys and other professionals regarding differences between U.S. and international laws related to hospitality Updated Web exercises and guidance for researching on the Internet Encouraging readers to think critically about legal concepts related to hospitality, "Hospitality Law, Second Edition" is an indispensable part of every hospitality manager's education.

Hotel Law, Transactions, Management and Franchising presents a practical guide to the issues that face lawyers and industry leaders working in the hospitality field. It aims to develop the reader's understanding of the acquisition process and the complex relationships in management and franchise deals that dominate the hotel industry. This text is written primarily as a desktop reference for legal practitioners working in the hotel law field and is also suitable for students studying towards hotel and hospitality careers both at an undergraduate and law school or graduate level. The highly experienced author, contributors and editors offer insights into the industry players and their preferred positions, desired outcomes, and the potential pitfalls that can ensnare even the most well-planned deals. With broad coverage of the rapidly growing field of hospitality law—including gaming, recreation, and amenities—the book's approach examines the dominant models of hotel ownership, management and franchising, and includes independent hotels and the move towards complex resorts. The book's coverage of key legal topics ranges from real estate, to intellectual property, contracts, and finance. Hotel Law will give readers an understanding of the hospitality industry from the perspective of the transactional practitioner, while examining the multi-party relationships and agreements that develop between an owner, operator, licensor and lender.

Overview of the hospitality industry -- Business structures -- The legal system and hospitality industry -- Contracts -- Torts/crimes -- Property -- How to select employees -- Trade name, trademark, service mark, and trade dress -- Safety and security of guests and their property -- Merchant obligations as to food, beverages, and alcohol -- Crisis management/ethics -- Insurance.

This comprehensive textbook introduces students to the many legal issues that hotel operations face daily.

Employee relations, food and liquor liability, patron civil rights, and federal regulations are all subjects that concern hospitality operators, who know that preventing legal problems is the best way to keep profits from being siphoned off by expensive legal hassles. This book gives readers an opportunity to look at hospitality operations from a legal standpoint and to develop management strategies to prevent legal problems.

Hotel Law is the only book for hotel management students and professionals that covers the various laws related to the hotel industry.

For students and practicing professionals in hospitality, travel and tourism as well as specialized paralegal work, Hotel, Restaurant and Travel Law: A Preventative Approach, 7th Edition, addresses legal issues confronted by managers in the hotel, restaurant, travel and casino industries. The emphasis is on prevention of legal violations. By reading the book, managers can appreciate and identify what actions and precautions are necessary to avoid, or at least minimize, the number of lawsuits. The book uses the case method, long recognized as a helpful approach to learning the often-complicated discipline of law. Readers will study decisions from actual cases in which hospitality establishments were sued, as well as what legal precedents were cited. Benefits: * NEW! New chapter on theme park law * NEW! Updated case studies * NEW! Major expansion of several sections, including Internet Contracts, Internet Fraud and Immigration Law * NEW! Content on restaurant and hotel ratings, club management operations, e-commerce issues for hotels and restaurants, and law in other travel and recreation areas such as parks, casinos, and other related areas were updated * NEW! New two color approach * Instructors Manual included * Online resources and computerized test banks to accompany text

Hoteliers, restaurateurs, licensees and catering managers enter into many legal relationships in the course of their work. A sound knowledge of relevant aspects of the law is therefore essential to them, as is a knowledge of business management and the fundamental skills of the profession. This updated and revised book provides the latest information on basic legal principles, business law that pertains to running a legal business, specific laws that affect operational aspects of the hospitality industry and employment law. This book is aimed primarily at students studying for a career in the hotel, restaurant or catering sectors of the hospitality industry. It will also provide hospitality managers with easily understandable and applicable information regarding their legal obligations and rights pertaining to business, staff and operations. Anyone intending to set up a hospitality establishment will find it an invaluable guide to establishing the business and complying with the numerous legal requirements.
