[MUSIC] The second book that I wanted to talk about is, Leadership Theory, Application, and Skill Development by Lussier and Achara. In Chapter six of this particular book, the authors outline two things that we'll discuss in the module. One being the conflict management side and then the other one being the mediation or conflict resolution.

**Leadership Theory and Application**

In a nutshell, the Trait Leadership Theory is founded on the belief that all great leaders possess intrinsic traits that make them a great leader; in other words, a leader is born, not made. With this belief, the Trait Leadership Theory focuses on analysing the mental, physical and social traits of great leaders in order to understand the combination of traits shared among great leaders. Some of these traits include [1]: Adaptable to situations
