Plus et mieux qu'une autobiographie, 'Lettre au Greco' est l'histoire d'un itinéraire intérieur, placé sous le signe du Greco, parce que ce peintre, d'origine crétoise, nous a laissé des êtres qui sont traversés par la flamme, qui ne sont que flamme. C'est aussi le testament de Kazantzaki, ultime message, où il explique la genèse de ses grandes oeuvres et en précise la signification philosophique, morale et religieuse. Ainsi nous est rendue sensible la façon dont Kazantzaki utilisait certaines aventures dont il avait été l'acteur ou le témoin, certaines lectures aussi. Tout cela donne la mesure de cet ouvrage considérable, à la fois document littéraire et confession spirituelle de l'un des plus grands écrivains que la Grèce ait jamais produits.

Plus et mieux qu'une autobiographie, " Lettre au Greco " est l'histoire d'un itinéraire intérieur, placé sous le signe du Greco, parce que ce peintre, d'origine crétoise, nous a laissé des êtres qui sont traversés par la flamme, qui ne sont que flamme. C'est aussi le testament de Kazantzaki, ultime message, où il explique la genèse de ses grandes œuvres et en précise la signification philosophique, morale et religieuse. Ainsi nous est rendue sensible la façon dont Kazantzaki utilisait certaines aventures dont il avait été l'acteur ou le témoin, certaines lectures aussi. Tout cela donne la mesure de cet ouvrage considérable, à la fois document littéraire et confession spirituelle de l'un des plus grands écrivains que la Grèce ait jamais produits.

Telle une confession adressée au peintre et frère spirituel crétois, le Rapport au Greco, rédigé un an avant la mort de Kazantzaki, retrace le parcours intellectuel de l'auteur d'Alexis Zorba. Au gré de ses voyages à travers l'Europe et des rencontres marquantes qui jalonnèrent son existence (Bergson, Gorki, Panaït Istrati), Kazantzaki a vu sa foi mise à l'épreuve de sa condition d'homme. Porté par une écriture ardente aux accents prophétiques, le Rapport au Greco mêle avec puissance réflexions profondes et anecdotes, et dessine un portrait inoubliable du grand écrivain grec, de sa quête permanente d'élévation et de liberté.

The bibliography volume of the three-volume East Looks West: East European Travel Writing in Europe collates travel writing published in book form by east Europeans travelling in Europe from ca. 1550 to 2000. It is intended as a fundamental research tool, collecting together travel writings within each national/linguistic tradition, and enabling comparative analysis of such material. It fills an important gap in the existing reference literature, both in western and east European languages, and will be of use to those working in the growing fields of comparative travel writing, regional and national identities, and postcolonialism. These texts exist in surprisingly large numbers, and include writings of high literary quality as well as of historical interest, but they have been relatively little studied as a genre. Much of this material is rare and difficult to find, even in national libraries. As a result, there are few bibliographical surveys of the literature of east European travel and self-representation, and none that are region-wide or comparative in scope. This is the third volume of a three-part set of East Looks West, Vol. 1 - An Anthology of East European Travel Writing on Europe; and Vol. 2 - A Comparative Introduction to East European Travel Writing on Europe.

"Informe al Greco" es un testamento espiritual escrito al final de la vida del autor, la historia de un itinerario interior y el último mensaje donde explica la génesis de algunas de sus obras. Desde su primera visita a Toledo, en su primer viaje a España en 1926, al contemplar "in situ" las pinturas del pintor cretense, se despierta en Casandsakis un sentimiento de identidad con su antepasado. El título funciona como metáfora de la rendición de cuentas que un soldado hace a su general, en este caso el pintor cretense afincado en España.
