Change your attitude, change your life. We're very good at explaining why we're unhappy: bad job, bad relationships, bad luck. But there's probably a better reason: bad attitudes. In *Lord, Change My Attitude*, James MacDonald shows us just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It's clear, it's inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don't read this book if you're looking for a quick fix. Don't read this book if you're unwilling to change. Read it if you're ready for a serious, inside-out attitude adjustment.

Are you truly serious about allowing the power of God to transform your life? If you are, then prepare yourself for an incredible, life-changing experience. Change is difficult, but it's made even harder without practical guidance on how to do it. You will find that guidance in Lord, Change Me Now. James MacDonald is serious about the business of change according to God's Word. While many tell us that we should change and be more like Christ, MacDonald actually teaches us how to do it. Lord, Change Me Now is split into three sections as the model for approaching change: The Preparation for Change: choosing the right method and partnering with God to select the areas in need of change in your life. The Process of Change: exploring the biblical method of saying 'no' to sinful patterns and 'yes' to the things God desires for you. The Power to Change: explaining how to experience the power of God personally and continuously. This is a book about a different you. There are no warm fuzzies within these pages. Rather, MacDonald is a direct, to-the-point pastor with a heart for seeing lives completely transformed by the truth of the Gospel. If you're serious about changing your life, this book is just what you need.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

THE WISDOM OF GOD'S ATTITUDE CONFOUNDS THE WISDOM OF HUMANKINDS
ATTITUDE! How can we describe an abstract term like the word attitude and prescribe it in such a concrete way? The Word of God is the avenue to achieve this objective! The author explains how attitude is more than just positive or negative, but rather situational instead. Various attitude principles are discussed with stories of the bible in reference to each type of attitude being addressed. In *Godly Attitude Worldly Latitude*, R. A. Day, Sr., expounds upon earthly definitions of attitude with heavenly inspirations that show how Christians should be imitators of their Lord and Savior. This book is a far different read than the standard social psychological or business model interpretations of what an attitude should be in life. It cries out the mantra of not looking upon our own things, but upon the things of others; and letting this mind (or attitude) be in us which is in Christ Jesus. A broadened horizon of the attitudes of longitude, latitude, altitude, and many more attitudes will be achieved victoriously through the living out of these newfound principles. This is made possible through all the interpersonal relationship challenges and storms that life tends to throw our way.

The body of Christ is moving in a direction of growing exponentially in knowledge, wisdom, and-most importantly-understanding the mind of God. All of these things are needed so that Christians can fight the good fight of faith and deal with the things that are happening today, facing life with the right response to the battlefield of the mind. Dr. Vanessa Dantzler Ussery, the author gives the reader insight into personal growth and development in order to help them become the person they are destined to be.

This book teaches you the right attitudes to have to overcome the devil. It will teach you how to have bold, aggressive persistent attitudes. Attitudes that will not give up or give in spite of what you are facing. It is a book that teaches the attitudes I used to recover from a heart attack I had in 2006. It also teaches the attitudes I used to recover the purpose the Lord has for my life.

First Place 4 Health has helped tens of thousands of people lose weight and bring balance to the four core areas of their lives: physical, mental, emotional and spiritual. In this new title from Carole Lewis, First Place 4 Health's national director, readers are challenged to "give God a year" to change them from the inside out. Change will happen over the course of 12 months, but the right changes only happen when we set the right goals and take the right steps to achieve them. Written with Carole's signature warmth and humor, the book invites readers to dream big about the changes they long for in their lives and then offers practical, biblical, step by step guidance for how to see those dreams made into reality. In a culture of "right now," a year may seem like an eternity. A year in the hands of God, however, means change that will last eternally.
