Lady Macbeth is based on the lives of the real historical figures of Macbeth (or Mac Bethad mac Findl á ich) and his wife, Lady Macbeth (or Gruoch). Macbeth was born around 1005, was the son of the mormaer of Moray, and became king in 1040 after defeating the sitting king, Duncan, in battle.

The Commentary, scholarly in its focus yet informal in its tone, explores the text's significant detail in order to bring out its full meaning (and meanings). It takes students and general readers through the play line by line and asks, along the way, a succession of penetrating questions as a means of clarifying what's really being said by the characters, why they do what they do, and why Shakespeare has them

speak, and act, in those ways. It provides specific support for students working towards examinations within a range of assessment structures, at both high school and college level...but it will be enjoyed by all lovers of Shakespeare. A major focus throughout is on what makes 'Macbeth' successful not only as literature but as a piece of working theatre. The Commentary is designed to be used alongside any edition of the play, since it includes running line references in the margin, and is therefore easy to align with the play's text. This is the Student Edition. The only difference between it and the Teaching Copy is that the suggested responses are located in an Answers Section at the end of the book. This allows students to work independently through the questions and study tasks in the main body of the resource, and to consult the suggested responses only if and when they are ready to do so.

The Cambridge Student Guide to Macbeth provides explanatory notes and guidance to help form the basis for the understanding of the play. It is part of a new series aimed at students from 16 years upwards in schools and colleges throughout the English-speaking world. Background information provides support and prompts inquiry for advanced level study by drawing out issues and themes related to the text. The content of each book in the series follows the pattern of an introduction; detailed running commentary on the text; insight into historical, social and cultural contexts; analysis of the language; an overview of critical approaches and different interpretations; essay-writing tips and lists of recommended resources.

A Study Guide for William Shakespeare's "Macbeth," excerpted from Gale's acclaimed Shakespeare for Students. This concise study guide

introducing literature in any classroom! Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides for Macbeth simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. But, this Study Guide for Macbeth is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Readers will self-generate additional notes within the structure provided by this Study Guide. Designed by a veteran educator, this study guide for Macbeth GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with

guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers: Besides being a great lesson plan or activity resource, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity for Macbeth and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning!

Containing annotated extracts from key sources, this guide to William Shakespeare's *Macbeth* explores the heated debates that this play has sparked. Looking at issues, such as the representation of gender roles, political violence and the dramatisation of evil, this volume provides a

can help. We are a small, but growing company, and are adding titles every month.

Macbeth was meant to be exciting. It was meant to entertain. Let me rephrase those statements: Macbeth IS meant to be exciting. It IS meant to entertain. While there are many layers and complexities to the play, it still remains powerful and entertaining, and ruthlessly appealing. Too often, scholars and directors get caught up in the complexities and lose that main goal of entertainment. When William Shakespeare was alive and writing, he was the equivalent to Steven Spielberg - a provider of entertainment. Sometimes that entertainment is more layered and complex. Other times it is pure pleasure and fun. Macbeth was not meant for the scholar; it was meant for the casual play goer, the casual reader, the casual movie watcher. This study guide
