The most important of this being that the Dominant (Master, Mistress or Owner) sets the rules and protocols while the submissive (sub, subie, slave or pet) follows those rules and protocols. The level and precision of the enforcement of rules and protocols varies from relationship to relationship, as does the consequences for failure to comply or obey.

This page is aimed at the care and training of the male slave. The development of the slave is a special process, seeing him grow and move towards is rebirth as a pure slave. Components of this can be use for recreational slavery - that is not living the SM life style but treating is as sport. This is also valid as there are few real slaves who are able to devote what is necessary to even approach the 24/7 SM life style, just as one of the jobs of the Master is to feed the slaves soul.

4. BE VERY HARD TO PLEASE. When your slave does something to make you happy, let him know that it's O.K., but could be better. If he scrubs the shower clean, for example, make sure you find a few spots he missed. 5. DON'T PRAISE HIM TOO MUCH. Men who get lots of praise start thinking they're acceptable just the way they are.

At The Order Of Indomitus, which takes place every November, male slave applicants who are accepted can choose to spend one or two evenings at the Order in a position of absolute slavery. Male slaves are stripped of the outside world, put through training, and used in games, for service, for torment and for anything the Priestesses and their female apprentices or female guests desire.

All the latest breaking UK and world news with in-depth comment and analysis, pictures and videos from MailOnline and the Daily Mail.

Are you seeking a Dominant woman but are you repeatedly striking out? The bad news is you have competition. LOTS OF IT. The good news is, all YOU have to do is be better than the rest. IT'S NOT DIFFICULT! Lame online messages don't work. Profiles listing your kinks don't work. Pictures of your "junk" don't work! This book shows you what DOES!

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

How to Capture a Mistress is a light-hearted, but aggressive approach, to mining that rare jewel, a Dominant Lady of quality, and figuring out what to do once you've found her. It will take time and dedication, but those special ladies are waiting to treasure, lead, play and discipline as necessary.

Joyce, a sixty-year-old, cat-loving spinster, would never have become a Lifestyle Domme (only Pro Dommies are paid) were it not for her latest work assignment--editing a magazine for submissive men. To research her audience, she investigates FemDom (as Female Domination is called in popular culture). Certain that she's discovered her true nature, Joyce begins experimenting with various facets of female domination. She begins interacting with submissive men--teasing, humiliating, demanding. Now the youthful appearing Senior is pursued by submissive men far younger and wealthier than she could otherwise attract. Determined to master the art of dominance, she attends a convention of Adult Babies, joins a spanking society, gets served by Sissy Maids, learns how to penetrate a man with a strap-on device, rides a human horse steered by a penis lead, dates a wealthy man who craves electroshocks to his genitals, and acquires a slave. She details many aspects of FemDom including ClubFem (with its slogan "Women Enslaving Men"), male chastity devices, a BDSM resort where women rule, consensual slavery and FinDom (Financial Domination). With her newly acquired kinky expertise and superior attitude, it's hot and cold running subs for this over-the-hill miss!

Mistress Evelyn is seeking a few good submissive men who want to learn the fine art of male submission and self-control. In this slave training book, she teases and leads guys through six different erotic training sessions revolving around the theme of obedience. The main character of the book is the reader! Regardless of if you choose to participate in just your imagination or you decide to make the fantasy a little more realistic - the scene is set for some kinky fun and entertainment.Adult Warning: This manual & workbook is for adults only. It is for submissive men or men that have submission fantasies. Women who want to learn how to dominate a man can benefit from reading this book too. All they have to do is use the training sessions as ideas for their play sessions.

Examines the place of women in the daily life of the Southern plantations before the Civil War and analyzes the women's relationship with slaves and their masters

The forces that shaped the institution of slavery in the American South endured, albeit in altered form, long after slavery was abolished. Toiling in sweltering Virginia tobacco factories or in the kitchens of white families in Chicago, black women felt a stultifying combination of racial discrimination and sexual prejudice. And yet, in their efforts to sustain family ties, they shared a common purpose with wives and mothers of all classes. In Labor of Love, Labor of Sorrow, historian Jacqueline Jones offers a powerful account of the changing role of black women, lending a voice to an unsung struggle from the depths of slavery to the ongoing fight for civil rights.
