### New English Grammar Series

“Part lively social history, part architectural survey, here is the story of Broadway—from 17th-century cow path to Great White Way.”—Geoff Wisner, Wall Street Journal From Bowling Green all the way to Marble Hill, Fran Leadon takes us on a mile-by-mile journey up America’s most vibrant and complex thoroughfare, through the history at the heart of Manhattan. Broadway traces the physical and social transformation of an avenue that has been both the “Path of Progress” and a “street of broken dreams,” home to both parades and riots, startling wealth and appalling destitution. Glamorous, complex, and sometimes troubling, the evolution of an oft-flooded dead end to a canyon of steel and glass is the story of American progress.

Required reading for both developing and experienced leaders, this one-of-a-kind workbook companion to a leadership classic outlines the core leadership principles that will make you more effective, more influential, and more successful—wherever you are in your career. If you’ve never read *The 21 Irrefutable Laws of Leadership*, you’ve been missing out on one of the best-selling leadership books of all time. In this companion workbook, leadership expert John C. Maxwell shares powerful insights gleaned from his forty-plus years of leadership success. Maxwell helps you: Take your leadership skills to the next level Discover life-changing principles of influence, empowerment, intuition, and legacy Observe your own career and evaluate yourself, using an evaluation tool that reveals your leadership strengths and weaknesses Learn from stories and observations from the worlds of business, politics, sports, the military, and non-profit organizations so you can transform as a leader Each of the twenty-one lessons contains the following sections: Definition of the Law: Understand the law and how it operates Case Studies: Explore three primary cases—some positive, some negative—that reveal and illustrate the law. Leadership Insight and Reflection: Draw important personal conclusions about the impact of this law on your life. Taking Action: Assess yourself in this law and develop specific action steps to grow or make important changes. Group Discussion Questions: Explore the core issues and share your insights through a guided discussion with your group. This workbook isn’t designed to be merely a theoretical exercise. It’s meant to help you become a better leader. And while you can easily go through this study on your own, there’s nothing more transformational than learning with other like-minded people. So, gather a group of any size and see what happens as you help each other become the kind of leaders that people want to follow.

Anxiety is the number one mental health problem facing young people today. Childhood should be a happy and carefree time, yet more and more children today are exhibiting symptoms of anxiety, from bedwetting and clinginess to frequent stomach aches, nightmares, and even refusing to go to school. Parents everywhere want to know: All children have fears, but how much is normal? How can you know when a stress has crossed over into a full-blown anxiety disorder? Most parents don’t know how to recognize when there is a real problem and how to deal with it when there is. In *Freeing Your Child From Anxiety*, a childhood anxiety disorder specialist examines all manifestations of childhood fears, including social anxiety, Tourette’s Syndrome, hair-pulling, and Obsessive Compulsive Disorder, and guides you through a proven program to help your child back to emotional safety. No child is immune from the effects of stress in today’s media-saturated society. Fortunately, anxiety disorders are treatable. By following these simple solutions, parents can prevent their children from needlessly suffering today—and tomorrow. Now, for the first time, one element of the methods behind the magic that is the Walt Disney World Resort--quality service--is revealed. The book outlines proven Disney principles and processes for helping an organization focus its vision and align its people into a strategy that delivers on the promise of exceptional customer service.

Public Speaking is an important skill which anyone can acquire and develop. The book consists of basic principles of effective speaking, technique of effective speaking, and the three aspects of every speech and effective methods of delivering a talk. All this relates to business, social and personal satisfaction which depend heavily upon our ability to communicate clearly to others. A must read book for effective speaking.

It's a hard-knock life for America's favorite orphan! Everyone knows the story of the irrepressible Annie, who lives at Miss Hannigan's orphanage until she beats the odds and finds a new life with the benevolent and wealthy Daddy Warbucks. Annie has enchanted millions of readers from her original comic strip appearance to the hit Broadway musical. Now, with a Tony-nominated revival playing on Broadway, Puffin is reissuing this novelization of the classic story, with a new introduction by Tony and Emmy Award-winning author Thomas Meehan. This is an adaptation that delves even deeper into Annie's story, as she lives on the streets during the Great Depression, finds Sandy the dog, and encounters characters both familiar and new.

With more than 2.5 million copies in print, *Spanish Made Simple* is the bestselling title in the *Made Simple* series.
