Excerpt from New Thrills in Old China There are longings, yearnings, strivings For the good they comprehend not; That the feeble hands and helpless, Groping blindly in the darkness, Touch God's right hand in that darkness And are lifted up and strengthened; Listen to this simple story. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Americans look to China with fascination and fear, unsure whether it is friend or foe but certain it will play a crucial role in their future. This is nothing new, Gordon Chang says. Fateful Ties draws on literature, art, biography, popular culture, and politics to trace America's long and varied preoccupation with China.
