Weygandt Accounting Principles starts with what students know. In the new Ninth Edition, students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned. Weygandt Accounting Principles introduces challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concept.

For use in a first computerized accounting course. For professors looking to help students learn BOTH software AND accounting practices (and how they relate), Osterra/Horne provides detailed explanations of both. It relates the computerized work to the manual accounting students complete in College and Applied Accounting courses, requiring more than just rote response on the part of the student. PEACHTREE COMPLETE SOFTWARE/EDUCATIONAL VERSION IS PACKAGED WITH EVERY BOOK.
