Discontinued Product Manuals - Rocktron - MIDI Controllers

If the Midi Raider comes in near the same price as the GCP then I think the Midi Raider is the best bet by far! The Midi Raider is basically the All Access rehoused. The All Access was a great controller with an excellent feature set, so this isn't an unknown entity. The GCP was alone in the market place in that price range for a long time and it's a fine controller, but it doesn't have ...
