Jon Sutcliffe Majenta PLM / Paul Abbott Siemens Solid Edge ST8

The story of the UK Solid Edge reseller Majenta PLM and the DAX Cobra 427 covers a lot of ground in the mechanical design technology realm. The story is interesting because it uses technology in a way that should encourage those who have been reluctant to start using advanced design tools, and it also showcases some technology that has come a long way in recent years.

Majenta Drives Dax Cobra Development with Solid Edge ...

With 15 courses to choose from, including essentials and advanced, our selection of Solid Edge Training Courses are a must for anyone using the software.
