Can love blossom among the thorns? Refocused and determined, Nelle plans to snatch the spellbook and escape Roseward Isle once and for all. But when a powerful magic storm blows in-bringing with it a small castaway of mysterious origins-Nelle and Soran are obliged to lie low inside the lighthouse until it passes. Trapped in close quarters, they cannot hide from their deepening attraction. But fate is against them. Soran knows the nightmare he created will not remain bound much longer. He must convince Nelle to leave him, to escape Roseward before she becomes the Thorn Maiden's newest victim. And Nelle sees the moment fast approaching when she will betray Soran. He will never forgive her, but how can she do otherwise? Papa's life depends on her mission's fulfillment. Will two lost souls find their way through the tangled briar of lies and mistrust? Or will shadowy thorns tear them apart . . . forever?

Sabina Kane doesn't have the best track record when it comes to family. After all, her own grandmother, leader of the vampire race, wants her dead. So when she arrives in New York to meet her mage relatives, the reunion puts the fun in dysfunctional. Not only is mage culture completely bizarre, but everyone seems to think she's some kind of 'Chosen' who'll unite the dark races. Sabina doesn't care who chose her, she's not into destiny. But the mages aren't Sabina's only problem. In New York's Black Light District, she has run-ins with fighting demons, hostile werewolves and an opportunistic old flame. Sabina thought she'd take a bite

This is a 45,000-word novella He's on a Quest for Justice Her Secrets are His Only Hope When mage investigative reporter Rick Moore gets the unexpected chance to clear his father's name, it looks like a dream come true. But there's a price. He must first uncover the truth about the mage world's most wanted fugitive. Caroline Dare knows her beloved brother had a reason for killing a member of the mages' governing council. Real heroes don't go rogue on a whim. Burned by shady reporters, she pours her devastating worry for him into her fabric art career and maintains stony silence about him. But when her art is panned as a fraud because she's blind, she's forced to seek help from Rick, a man she knows only as a sexy arts writer. Helping beautiful, determined Caroline prove her art is her own gets Rick inside her well tended walls. But as he wins her trust, he finds he's losing his heart. Now he has a choice--give up his dream or betray the woman he loves. Other books by Nancy Northcott Renegade Protector (a novella) Guardian Warrior Shown here in reading order, the first three titles were published under the series label The Protectors but are also part of the Light Mage Wars story arc. Renegade is set 3 years after Sentinel.

The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand

out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

Meet Tori. She's feisty. She's broke. She has a bit of an issue with running her mouth off. And she just landed a job at the local magic guild. Problem is, she's also 100% human. Oops.

This exhaustive volume catalogs nearly three thousand demons in the mythologies and lore of virtually every ancient society and most religions. From Aamon, the demon of life and reproduction with the head of a serpent and the body of a wolf in Christian demonology, to Zu, the half-man, half-bird personification of the southern wind and thunder clouds in Sumerian-Akkadian mythology, entries offer descriptions of each demon's origins, appearance and cultural significance. Also included are descriptions of the demonic and diabolical members making up the hierarchy of Hell and the numerous species of demons that, according to various folklores, mythologies, and religions, populate the earth and plague mankind. Very thoroughly indexed.

the living and the dead, in this dark YA fantasy by A.M. Strickland, author of *Beyond the Black Door*, whom Richard Kadrey calls “ a storyteller of both grace and power. ” In Thanopolis, those gifted with magic are assigned undead spirits to guard them—and control them. Ever since Rován ’ s father died trying to keep her from this fate, she ’ s hidden her magic. But when she accidentally reveals her powers, she ’ s bound to a spirit and thrust into a world of palace intrigue and deception. Desperate to escape, Rován finds herself falling for two people she can ’ t fully trust: Lydea, a beguiling, rebellious princess; and Ivrilos, the handsome spirit with the ability to control Rován, body and soul. Together, they uncover a secret that will destroy Thanopolis. To save them all, Rován will have to start a rebellion in both the mortal world and the underworld, and find a way to trust the princess and spirit battling for her heart—if she doesn ’ t betray them first.
