centerIn Pursuit of the Ultimate Good After an overwhelming succession of tragedies, life has finally, mercifully ended for Orlene, once-mortal daughter of Gaea. Joined in Afterlife by Jolie -- her protector and the sometime consort of Satan himself -- together they seek out a third: Vita, a very contemporary mortal with troubles, attractions, and an unsettling moral code uniquely her own. An extraordinary triumvirate, they embark on a great quest to reawaken the Incarnation of Good in a world where evil reigns -- facing challenges that will test the very fiber of their beings with trials as numerous, as mysterious, and as devastating as the Incarnations themselves.

This second edition for Cambridge O Level Commerce syllabus (7100) is thoroughly updated for first examination from 2018. Written by an experienced author in an engaging and accessible style this Coursebook provides comprehensive coverage of the syllabus and contains lots of activities and practice questions to help students apply commercial theory, with up-to-date, real-life examples.

As foretold by ancient prophets, an apocalypse destroyed Earth during the twenty-first century. But two thousand years later Elyon set upon the earth a new Adam. This time, however, he gave humanity an advantage. What was once unseen became seen. It was good and it was called...Green. But the evil Teeleh bided his time in a Black Forest. Then, when least expected, a twenty-four year old named Thomas Hunter fell asleep in our world and woke up in that future Black Forest. A gateway was opened for Teeleh to ravage the land. Devastated by the ruin, Thomas Hunter and his Circle swore to fight the dark scourge until their dying death. That was then. Now the Circle has lost all hope. And Samuel, Thomas Hunter's cherished son, has turned his back on his father and is aligning dark forces to wage the final war. Thomas is crushed--but determined to rescue the Circle and his son even if he has to cross two worlds to do so.

Get your best grades with this Cambridge International AS and A Level Geography Revision Guide. This title has not been through the Cambridge endorsement process.

Mills & Boon are proud to present a thrilling digital collection of all Sharon Kendrick's novels and novellas for us to celebrate the publication of her amazing 100th book! Many of these books are available as e books for the first time.

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! The picture book inspiration for the Academy Award-winning film *The Green Book* Ruth was so excited to take a trip in her family's new car! In the early 1950s, few African Americans could afford to buy cars, so this would be an adventure. But she soon found out that black travelers weren't treated very well in some towns. Many hotels and gas stations refused service to black people. Daddy was upset about something called Jim Crow laws . . . Finally, a friendly attendant at a gas station showed Ruth's family *The Green Book*. It listed all of the places that would welcome black travelers. With this guidebook—and the kindness of strangers—Ruth could finally make a safe journey from Chicago to her grandma's house in Alabama. Ruth's story is fiction, but *The Green Book* and its role in helping a generation of African American travelers avoid some of the indignities of Jim Crow are historical fact.

A new, full-colour textbook matched exactly to the syllabus, featuring: - Data-based structured questions - Multiple choice questions at the end of every chapter - Student activities throughout This title is endorsed by Cambridge International Examinations
